

The Old Petriburgians' Association

Membership

At the OPA AGM in 2006, subscription was abolished. All ex-pupils and staff of The King's School are now automatically members of The OPA.

Keeping in Touch

In order to receive regular updates on events and reunions, please ensure that we have your most up to date email address by contacting Ali Abell at abell.a@kings.peterborough.sch.uk. Alternatively, please check the Old Petriburgians' section of the School's website at <http://www.kings.peterborough.sch.uk/page/?title=Old+Petriburgians&pid=114> for regular updates, or search for OPA events on Facebook.

Petriburgian Magazines

Now available exclusively through the School, you can now order your copy by emailing abell.a@kings.peterborough.sch.uk. The magazine not only contains information on life at the School, but also now contains a comprehensive OPA section, with reports and photos of events held through the year. We also have a small section on OPs' news, which we would like to build on, so please do contact us, with an update on what you are up to these days; we would love to give you a mention!

Making Contact with the OPA

The OPA Committee is always delighted to hear from ex-pupils of all ages:

Chairman, Trevor Elliott, at elliott.t@kings.peterborough.sch.uk

Administrator, Ali Abell, at abell.a@kings.peterborough.sch.uk

Reunions

Over the last few years, we have held several major reunion events, one to celebrate 30 years since girls joined the School, one to celebrate the completion of major building works and renovations and more recently, Invicti Rugby and Hockey Teams of the late 1960s/early 1970s combined their reunion with the Annual OPA Dinner. If you would like to organise an event, or would like a table at the next Dinner for your Year Group, and want some assistance, please do contact us and we will do what we can to help you contact your contemporaries and advertise the event.
