## **Reunions**

Over the last few years, we have held several major reunion events, one to celebrate 30 years since girls joined the School, one to celebrate the completion of major building works and renovations and more recently, Invicti Rugby and Hockey Teams of the late 1960s/early 1970s combined their reunion with the Annual OPA Dinner. If you want to organise an event, and would like some assistance, please do contact us and we will do what we can to help you contact your contemporaries and advertise the event.
