2018 UPDATE

THE BREWERY TAP REUNION | 27TH DECEMBER 19:30 onwards

The big reunion of the year, and the social event of the OPA calendar! Do come along!

The event has been created on 'The Petriburgian' Facebook page. If you have a few minutes spare, please try to spread the word by sharing, or inviting any of your friends who may be interested.

We are trying some Open Mic sessions during the evening, with help from former students! If you would be interested in performing, please contact Chris Dunn (dunn.c@kings.peterborough.sch.uk).

INAUGURAL OPA HOCKEY FESTIVAL | 6TH JULY

We are holding a 7-a-side mixed festival of hockey on Saturday 6th July 2019 at City of Peterborough Hockey Club. There will be refreshments available during the day, along with a BBQ Social in the evening. **Family are warmly invited.**

We welcome all former King's students of all ages and abilities to play – plus anyone who would like to support from the sidelines. We are even hoping to get a staff team together! So, what are you waiting for? Get the date in your diary and start ringing round to make up your team!

Anyone who can't raise a team will be found a place on a team – so, don't worry! Contact one of the organisers below with your team information, or with your preferred position, along with your contact details.

Mrs Amps (amps.a@kings.peterborough.sch.uk) and Heather & Sam Bicarino (bicarino.h@kings.peterborough.sch.uk). More information to follow.

SCHOOL DEVELOPMENT OFFICER

Message from Trevor Elliott: Annabel deCapell Brooke is the school's new Development Officer. As part of her job, she is looking to reconnect with all Old Petriburgians interested in supporting the School now and in the future. If you are interested, please contact her on deCapellBrooke.a@kings.peterborough.sch.uk or 07585 112 845.

Your time at King's will hopefully stay with you for life – in a good way! You will always be part of The King's School Family, and are warmly welcomed back to visit. KSP is the amazing place it is today, partly due to the ongoing support of former students, and I want to ensure that this continues for the benefit of future generations. Your role in this is vital – we need everyone who has walked the corridors of King's to play their part. There are many ways you can do this, from sharing your skills and experience with today's students through to helping reconnect former students who have lost touch. Please like our Facebook page, connect with LinkedIn and follow the School on Twitter (@KSP_News). Thank you very much indeed. Annabel
