

Teacher of Religious Education
Full or Part-time considered
Required from September 2024

The King's (The Cathedral) School is a highly successful coeducational academy in Peterborough with excellent rail and road connections to London and the North. Within the local region the school is extremely popular and consistently heavily oversubscribed. Examination results have been very strong at all levels and the school prides itself on providing students with a rich and well-rounded education based on Christian values.

We are looking to appoint a well-qualified and passionate teacher to our Religious Education team. The ability to also teach another humanities subject would be desirable but not essential. This is an exciting opportunity to work within a high achieving school, with highly motivated students and where Religious Education is highly valued as a core subject. The appointed applicant will be part of a department that teaches all our students through to GCSE, and a strong number through to A-Level.

This post would equally suit an application from an early career teacher, who would benefit enormously from strong mentoring, or alternatively from an experienced teacher who is looking to develop their skills in a new setting. The successful candidate will need to be able to teach across all age ranges and abilities up to and including A-Level.

The newly appointed candidate will be working in a committed and successful team. The department is housed in a suite of dedicated modern teaching rooms.

A letter of application and completed application, including two referees, should be sent to Mr John Harrison by **midday on Monday 20 May**.

A recruitment allowance may be available for the right candidate.

Early applications would be appreciated and informal tours welcome.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
