*** Please indicate**

For an application to be considered under this oversubscription criterion, the address provided must have been a registered place of worship for at least 5 years with the Local Authority.

In the event that during the period specified for attendance the relevant place of worship has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the relevant place of worship or alternative premises have been available for public worship.

Children of worshipping members of Other Christian denominations and Other Major Faiths:

- i) For parents/carers to be 'worshipping members', the applying parent/carer of the child, who lives at the child's home address, needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. A church/worship centre will be determined by the award of a worship license as issued by the Local Authority. This would not necessarily mean that the parent/carer is a "Member" in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than "occasional" and **has been sustained for at least five years.**
- ii) Children of worshipping members of 'Other Christian denominations' are defined as members of any Church that is a member of Churches Together in England, or the Evangelical Alliance.
