

Reporting a Covid Absence

Test Situation	Parent/Carer Action
Your child has a positive Lateral Flow Test	Report the result on TestRegister.co.uk and phone or email the school at absences@kings.peterborough.sch.uk to provide further details regarding a PCR Test. Please update the school daily until the results are known.
Your child has a positive PCR Test	Phone or email the school at absences@kings.peterborough.sch.uk to confirm the positive PCR. We also request that you forward the NHS Track and Trace confirmation and return date via email to allow your child's attendance record to be updated with the correct return date.
Your child has symptoms and is going for a PCR Test	Phone or email the school at absences@kings.peterborough.sch.uk to provide further details regarding a PCR Test. Please update the school daily until the results are known.
Your child is going for a precautionary PCR Test as a close contact	Phone or email the school at absences@kings.peterborough.sch.uk to provide details regarding a PCR Test date and time. Your child can then return to school while awaiting for the results.
Your child has a negative PCR Test and is returning to school	Phone or email the school at absences@kings.peterborough.sch.uk to confirm negative PCR Test and or forward the NHS Track and Trace confirmation via email.
