WELCOME TO YOUTH INSPIRED

We are so proud to be in a position to bring this directory to Peterborough.

Since the beginning of the Youth Inspired, project 3 years ago, we have had so many conversations with young people about what provision is available for them to access locally. There is so much out there!

Young people have told us that they struggled to find out what was available. They also said that they wanted something physical that they can look through which is why we have made this into a booklet that young people can take away and keep. We have come to learn that there are so many quality activities, projects and clubs for young people with the vast majority of them based within the voluntary sector.

We would like to thank all of the organisations who tirelessly work to provide the best possible provision for young people in the City. I hope you enjoy reading this directory and finding out what is available to you! This directory is a direct result of the Peterborough Youth Sector Forum working together to showcase what they do and to help increase the participation of young people.

Laura Almond
Youth Inspired, Programme Manager

PETERBOROUGH CITY COUNCIL

"I am delighted that young people will now have the directory they requested to provide them with up-to-date information on services and support available to them. It is so important that young people are encouraged and enabled to access a wide range of activities locally. Youth Inspired has worked with young people to make this happen – it will make a real difference to young people in the City."

Wendi Ogle-Welbourn,
Exec Director People & Communities Cambs & P'boro Councils.

YOUNG COMMISSIONERS

"It's great that our ideas have been listed to and that Peterborough will have a Young Peoples Directory so young people like us can find out what's happening in our City, find new hobbies and make new friends. Without a Directory I wouldn't know how to find or access youth clubs or groups."

Young Commissioners,
Youth Inspired Panel

PCVS

"Peterborough Council for Voluntary Service (PCVS) are really excited to be able to provide a Directory for young people across Peterborough so that the youth of the city can find out about and participate in local activities and projects."

Leonie McCarthy,
CEO PCVS
