Year 13 Physics Olympiad

BPhO

British Physics Olympiad

Earlier in this academic year, several year 13 students took part in the BPhO Physics Olympiad Round 1. Earlier this month they received their results and certificates.

Congratulations to all involved, including Miriam who attained a Gold award, finishing in roughly the top 7%!

social group

wednesday week two - 1:30 to the end of lunch - room 190

Every other week, come and find:

- .Entertainment such as games and activities
- .A safe space, to have lunch or hang out
- .An open, accepting community
- .The opportunity to speak with edi members

The LGBT+ edi is bringing a consistent and safe social space to school. In this accepting environment we encourage kindness and open, understanding conversation. Everybody is welcome, nobody is alone.

offering sweet treats and a safe space

for everyone

Supporting lgbtq+ inuivduals throughout our school.

You are not alone.

In crisis, visit mind.org.uk for contacts.

If any other groups within the school would like a notice in next half term's 6th Form Insider, feel free to email 17culys@king.peterborough.sch.uk with your notice

Recipe of the Month:

Chocolate Brownies

Ingredients:

185g unsalted butter
185g best dark chocolate
85g plain flour
40g cocoa powder
50g white chocolate
50g milk chocolate
3 large eggs
275g golden caster sugar

Method:

Preheat oven to 180C/160 Fan

Melt dark chocolate and butter together over a saucepan of hot water.

Sift the flour and cocoa powder into a bowl and mix together.

Break white and milk chocolate into chunks and stir through the mixture

Beat together the eggs and sugar, then add to the melted chocolate-butter mix

Add the flour and cocoa powder into the wet ingredients, then fold together, being careful not to overmix.

Pour into a lined 20cm tin and bake for 25 minutes.

The brownies are ready when the sides start to come away from the edge of the tin and the middle becomes more firm.

We hope you enjoy making this week's recipe.
Check back in the next edition for February's
edition!

Poem of the Month

Simplicity by Emily Dickinson

How happy is the little stone
That rambles in the road alone,
And doesn't care about careers,
And exigencies never fears;
Whose coat of elemental brown
A passing universe put on;
And independent as the sun,
Associates or glows alone,
Fulfilling absolute decree
In casual simplicity.

Emily Dickinson

News Quiz

How much have you been paying attention to the news this half term? Try our quiz and see how many you get right!

Los eventos involven los vecinos y los amigos de los simpsones. Que Divertido! Que Pasara? Descubrir la proxima vez que se mostra en la television!

Book: Midnight Library (2020)

Written by Matt Haig

Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices . . . Would you have done anything different, if you had the chance to undo your regrets? A novel about all the choices that go into a life well lived.

Thank you very much to everyone who has read this edition of the Sixth Form Insider. Make sure to check back at the end of February for next month's issue!
