

Please note that these instructions are for applicants who have not previously applied for a place in the Sixth Form, or who have previously applied for a place but did not receive an offer in February 2025.

If you are a candidate who has previously applied for a place in the Sixth Form, received an offer in February 2025 you must not complete this - please sign in to your previously created Applicaa account.

Year 12 Entry to Sixth Form - September 2025

These instructions have five steps for making an application - please ensure you have read and followed each step correctly.

Step 1 - Check that the applicant has met Main Entry requirements (page 2)

Step 2 - Check the subject options combinations available (page 2)

Step 3 - Check that the applicant has met the Strongly Recommended Subject Specific Requirements for their chosen options (page 3 and 4)

Step 4 - Complete the online form and then email a copy of your results (pages 4 and 5)

Step 5 - Complete a full online application form (page 5)

Steps 1 to 4 must be completed as soon as possible - please remember places are limited.

Incomplete applications will not be accepted - amended re-applications must also meet the above deadline.

We will check your results and subject list, including your requested subject choices. We will email, by no later than 16:00 on Friday 22 August 2025, to let you know if we can confirm your place. If you have not heard by this time, please assume your application has been unsuccessful.

Only successful candidates are required to complete step 5 - your confirmation email will include a link for you to register with our data collection partner, and complete full student details.

Your place in the Sixth Form (if offered) is conditional on you completing step 5 fully by no later than midday on Tuesday 26 August 2025. Failure to meet this deadline could jeopardise your place in the Sixth Form.

Step 1 - Check that the applicant has met Main Entry requirements

Pupils may be admitted to the Sixth Form if they have obtained the relevant academic entry requirements. To qualify for entry to The King's School Sixth Form, all students need to meet the following criteria:

To have passed at least seven full subjects at grades 9 - 5 in their GCSE examinations (or equivalent) including three at grade 6 or above. Please note that an individual subject cannot count for more than two GCSEs.

Please note that the minimum academic entry requirements above will need to be met to obtain an offer of a place in Year 12 (subject to oversubscription criteria if needed). Meeting those requirements will entitle the applicant to a place, but will not guarantee a particular combination of courses.

If candidates **do not** meet the minimum academic entry requirements (*"at least seven full subjects at grades 9 - 5 in their GCSE examinations (or equivalent) including three at grade 6 or above."*) then they will not be able to apply to the Sixth Form.

Step 2 - Check the subject options combinations available

Your subject choices must fit the following groups (clashes cannot be accommodated) - you can **only** choose one subject per option group, and you **must** make three option choices.

Whilst Mathematics & FM (Mathematics & Further Mathematics) is two A-level subjects, this counts as one option choice. If you choose Mathematics & FM you **cannot** choose Mathematics in any other option group.

You cannot choose the same subject more than once.

Please note; these are the only subjects offered in the Sixth Form - if you wish to study a subject not listed here, we cannot accept your application.

Step 3 - Check that the applicant has met the Strongly Recommended Subject Specific Requirements for their chosen options

Check that you meet the subject specific requirement for your chose subjects.

If you have achieved close to the recommended subject specific grade (whilst still meeting the Main Entry requirements) please do make an application - we may be able to accommodate your combination of subject choices.

Step 4 - Complete the online form, and email a copy of your results

It is important that, in any contact with the school, you **include the applicants full legal name and date of birth in the subject line of the email.** We cannot search for applicant details in attached documents. Not including these details may delay your application, and may mean that we are unable to offer you a place.

Complete this form <https://forms.office.com/e/kj3eneLGsW>

After completing the form, email (using the email address found in the above form) an electronic copy of your official school statement of results. The electronic copy could be either a scan or photograph of your results sheet, but we prefer a PDF copy;

[Scan files as PDF with Notes on iOS device](#) and [Share](#)

If sending a photograph, please check the image that you are sending has not been compressed in size - some email providers send only a thumbnail image, which we cannot use, as they are not legible.

Your scanned copy of results must include;

- **your full legal name**
- **your results information, including the level and subject title and result**

Please indicate in your email any results that are not full course GCSE's - for instance, you and your school may know that "BT2" is a "BTEC Level 2 Diploma", but we may not.

Incomplete applications will not be accepted - amended re-applications must also meet the above deadline.

We will check your results and subject list, including your requested subject choices. We will email, by no later than 14:00 on Friday 22 August 2025, to let you know if we can confirm your place. If you have not heard by this time, please assume your application has been unsuccessful.

Step 5 - Complete a full online application form, and the Year 12 Home School Agreement

Only successful candidates are required to complete this step - the confirmation email we send will include a link for you to register with our data collection partner, to complete full student details, and the link to the Home School Agreement.

Your place in the Sixth Form (if offered) is conditional on you completing this step fully by no later than midday on Tuesday 26 August 2025. Failure to meet this deadline could jeopardise your place in the Sixth Form.
