

Attendance Policy

The King's (The Cathedral) School is committed to providing an education of the highest quality for all its students and recognises that this can only be achieved by supporting and promoting excellent school attendance for all, we believe that high levels of attendance are important contributors to pupil mental health and wellbeing. Our Christian belief in love, acceptance and equality underpin this policy because as a school we believe that, only by attending school regularly and punctually, will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance. We believe that we nurture a 'Family Achieving Excellence' and that poor attendance will have a detrimental effect upon achieving this aim for any given pupil in our care.

Ours is a successful school and all pupils play their part in maintaining that. We aim to create an environment which enables and encourages all members of the community to achieve excellence. For children to gain the greatest benefit from their education, it is vital that they attend regularly and punctually, being at school on time and every day on which the school is open, unless the reason for the absence is exceptional.

The whole school community - pupils, parents and carers, teaching and support staff and school governors have a responsibility for ensuring good school attendance and have important roles to play. The purpose of this policy is to clarify everyone's part in this.

All staff (teaching and support) at our school have a key role to play in supporting and promoting excellent school attendance and will work to provide an environment in which all our pupils/students are eager to learn, feel valued members of the school community and look forward to coming to school every day. Staff also have a responsibility to set a good example in matters relating to their own attendance and punctuality.

Attendance Leader

The Deputy Headteacher (Pastoral) will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure that the Attendance Policy is consistently applied throughout the school. This person, known as the Attendance Leader, will also ensure that up-to-date attendance data and issues are shared at Year Group Meetings by the Assistant Headteacher responsible for Key Stage 3, 4 and 5, are made regularly available to all staff, pupils, and parents/carers (who will regularly be reminded about the importance of good school attendance) and that a report is prepared to be presented at the Governors Personnel Committee meeting. S/he will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

It is very important therefore that parents and carers make sure that their child attends regularly and this policy sets out how together we will achieve this.

Why Regular Attendance is so important

Learning

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning (see Appendix One). Any pupil's absence disrupts teaching routines, so may also affect the learning of others in the same class.

Ensuring pupils regular attendance at school is the parents and carers legal responsibility and permitting absence from school without a good reason is an offence in law and may result in prosecution.

The Law Relating to Attendance

Section 7 of the Education Act 1996 states that 'the parent of every child of compulsory school age shall cause him/her to receive efficient full-time education suitable:

- (a) to age, ability and aptitude and;
- (b) to any special educational needs he/she may have;

either by regular attendance at school or otherwise.

According to the terms of the Act, a parent is defined as:

- the natural parents of a child, whether they are married or not;
- anyone who, although not a natural parent, has parental responsibility for a child;
- any person who, although not a natural parent, has care of a child.

The Isle of Wight Council v Platt case considered by the Supreme Court makes it clear that regular attendance shall mean attendance in accordance with the school rules. Therefore, any non-attendance which is not in accordance with the school rules will be deemed unauthorised. The school rules are the days the school is open for pupils to attend.

Under this judgement a child should attend 100% of the time unless there are exceptional circumstances that prevent this.

Safeguarding

A child may be at risk of harm if they do not attend school regularly. Safeguarding the interests of each child is everyone's responsibility and within the context of this school, promoting the welfare and life opportunities for a child encompasses:

- Attendance
- Behaviour Management
- Health and Safety
- Access to the Curriculum
- Anti-Bullying

Failure to attend school on a regular basis is considered a safeguarding matter.

Helping to create a pattern of regular attendance is everybody's responsibility, parents/carers, pupils and all members of school staff.

To help us all to focus on this we will:

- Report to you regularly on how your child is performing in school, noting any issues with attendance and punctuality and how this relates to their attainment and rate of progress.

The Law Relating to Safeguarding

Section 175 of the Education Act 2002 places a duty on Local Authorities and Governing Bodies to have regard to guidance issued by the Secretary of State with regard to safeguarding and promoting the welfare of children and students under the age of 18.

Attendance Procedures

This policy should be read in conjunction with the Extended Absence from School Policy and the Local Authorities Children Missing Education Policy and Procedures

Vulnerable Pupils

The Assistant Headteachers (AHTs) with responsibility for Key Stages 3, 4 and 5 and the Head of the Junior Department should provide a list of vulnerable pupils to the Attendance Leader (Deputy Headteacher, Pastoral). This list should be reviewed regularly at Year Group Meetings; AHTs should notify the Attendance Leader (Deputy Headteacher, Pastoral) of any changes to the Vulnerable Pupils List. The Attendance Leader (Deputy Headteacher, Pastoral) will ensure that an updated copy of this list is circulated to all AHTs, their administrative support personnel, the Pupil Support Officers and Pupil Reception. This confidential list should be available to Pupil Reception staff in order that absence can be checked against this list as a first priority (steps regarding procedures regarding first day of absence are outlined below and specifically refer to actions regarding vulnerable pupils).

Children Missing in Education (CME)

It is important that all agencies and practitioners working with children recognise their responsibilities regarding CME and the implications for safeguarding children (please refer to the Local Authorities Children Missing Education Policy and Procedures). A child is classed as CME if he or she is:

- of compulsory school age
- not on a school roll
- not receiving a suitable education otherwise than being at school, e.g. at home, privately or in an alternative provision

CME also includes those children who are missing (family whereabouts unknown) and are usually children who are registered on a school roll/alternative provision. This might be:

- a child who has not taken up an allocated school place as expected
- a child who has 10 or more days of continuous absence from school without explanation
- a child who is not at their last known address
- a child who has left school suddenly and the destination is unknown

If a member of staff is concerned that a child is missing from education, they should inform the Deputy Headteacher (Pastoral), who is also Child Protection and Attendance Leader, who will make a CME referral to the Local Authority.

Absences due to Religious Observance

The School follows the Local Authority guidance regarding absence for Religious Observance, one day authorised for each religious festival up to a maximum of three in any one academic year, any absences in excess of this will be unauthorised. Parents and Carers should send an email to the School requesting one day's absence for Religious Observance.

The Law regarding Religious Observance

The Pupil Registration Regulations 2006 state that absence for religious observance should be treated as authorised (absence) on a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs.

Leave for pupils for religious observance should only be agreed if the dates fall outside the normal holiday periods. These absences should be coded 'R'. Any additional days for shopping or extended celebrations should be treated as unauthorised.

1. Registration

Poor punctuality is not acceptable. If a pupil misses the start of the day they miss work and do not spend time with their class teacher/form tutor getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence.

Registers are kept in accordance with Government regulations. The legal registration is taken twice during the school day - **morning registration at 8.35 a.m.** The member of staff taking the register should **register a mark by 8.40 a.m.** for all pupils in the tutor group. **Afternoon registration takes place at the start Period 7 (2.20 p.m.).**

- All pupils must attend both registration sessions.
- The register will record the following:
 - whether the pupil is present, absent or attending an approved educational activity;
 - an 'approved educational activity' is defined as:
 - a. an activity taking place off the School premises;
 - b. approved by a person authorised by the Headteacher or Board of Governors;
 - c. supervised by a person approved by the Headteacher or Board of Governors;
 - d. of an educational nature, including work experience, field-trips and educational visits, interviews with prospective employers, or for a place in Higher or Further Education;
 - e. link courses where a pupil attends an FE college for part of their time, or franchised pupils receiving part of their education off-site at another location, while remaining on roll and under School supervision (e.g. sick children being taught at home or in hospital, or attending an approved sporting activity).
- Any **pupil arriving after 8.40 a.m. or 2.25 p.m. will be deemed to be late and will be coded as 'L'** on the register. **Pupils arriving after 9.00 a.m. or 2.30 p.m.** in accordance with the Regulations, **will receive a mark that will indicate that the pupil is in the school building, but will be marked as an unauthorised absence, code 'O'**. A 'O' code means the pupil has incurred an unauthorised absence due to having missed the legal registration period; this may mean that parents/carers could face the possibility of a Penalty Notice if the problem persists.

If a pupil has a persistent late record the parent/carer will be asked to meet with the school to resolve the problem (see Absence Flow Chart), parents and carers can approach the school at any time if they are having problems getting their child to school on time.

Procedures for First Day Absence

1. Registration 8.35 a.m. Register closes at 8.40 a.m.
2. Students attending early morning chorister or musical rehearsals or peripatetic lessons should register using the 'LiveRegister' monitor at Madeley House before the session begins
3. Students with interventions in the main school should sign in at 8.00 a.m. on the 'LiveRegister' monitor outside Pupil Reception before they go to the intervention. If the student hasn't done this then the member of staff running the session should register the student before 9.00 a.m.
4. Any student registering after 8.40 a.m. should be marked as late (L)
5. Any student registering after 9.00 a.m. should be marked as unauthorised (O)
6. Staff to notify Pupil Registration of vulnerable students that are absent; these students are denoted by a dot in the Quick Note column on the register
7. Pupil Reception should check the list of the reported vulnerable children absences from tutors against the daily reported absences
8. Pupil Reception will send out an all staff e-mail asking if these missing vulnerable students have been accounted for
9. If there is no affirmative response from staff Pupil Reception will phone home and ask for the assistance of SLT to locate the missing student
10. Pupil Reception prints Session Absence Report from SIMS and checks against the vulnerable student list and if they have not been reported contacts home immediately
11. Pupil Reception prints off Confirmed Absence Report and e-mails to all staff
12. Pupil Reception calls home for other absent students
13. For those that are still unaccounted for a second phone call is made home
14. If there is no response to this call an e-mail is sent home
15. Pupil Reception should record all communications on SIMS and on the record sheet that is in Pupil Reception
16. For any student who has been marked absent in registration but present in periods 1-2 an e-mail is sent to the tutor to find out where the student was during registration. The registration mark of N (reason for absence not yet provided) should be changed to a U (arrived in school after registration closed).

School Attendance Officer

Parents/carers are expected to contact the school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the Local Authority Attendance Officer from Peterborough City Council, School Attendance Team. They will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorised absences persist, these officers can recommend that the Local Authority use sanctions such as Penalty Notices or prosecutions in the Magistrates Court.

2. Understanding the Types of Absence

- When a pupil of compulsory school age is absent, it must be marked as an **'authorised'** or **'unauthorised'** absence.
- Every half-day absence from school has to be classified by the school (not by the parents/carers) as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required, preferably in writing.
- The School reserves the right to decide whether an absence should be authorised or not. Although reasons for absence will be recorded, the absence may not be authorised if the reason is not deemed appropriate, reasonable or if there are ongoing concerns. Unauthorised absences can lead to legal action.
- **Authorised absences** are mornings or afternoons away from school for a good reason for example: illness or medical/dental appointments which unavoidably fall in school time, emergencies or other exceptional cause.
- **Unauthorised absences** are those which the school does not consider reasonable and for which no "leave" has been authorised. This includes:
 - parents/carers keeping children off school unnecessarily;
 - truancy before or during the school day;
 - absences which have never been properly explained;
 - children who arrive at school too late to get a mark - after the register has been closed at **9.00 a.m.** for the morning session and **2.30 p.m.** for the afternoon session;
 - shopping, looking after other children or birthdays;
 - day trips and holidays in term-time, which have not been authorised as an exceptional circumstance by the Headteacher.

This type of absence can lead to the Peterborough City Council, School Attendance Team, using sanctions and/or legal proceedings.

Whilst any child may be absent from school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents/carers and the child. If a pupil is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

- **Lateness** will be monitored and where there are concerns letters will be sent home and Parents/carers will be asked to work with the School to resolve the problem.

3. Absence Procedures

If a pupil is absent the parent/carer must:

- contact the school by email (absences@kings.peterborough.sch.uk), telephone (01733 751541) or by the school gateway by 9.00 a.m. every day during the period of absence, explaining the reason for the absence. Any absences which the school are not advised of or no reason is given to the school about the pupil's absence the absence will be recorded as an unauthorised absence.

- on the day of return send in a note with an explanation of the absence - this is in addition to the original notification for the absence.

If a pupil is absent we will:

- telephone on the first day of absence if there has been no contact from home;
- Invite you in to discuss the situation with us;
- **if the absence becomes longer term** i.e. falls below 95% in a half-term the parent/carer will be contacted. If there is no improvement they will be invited into School to discuss the situation. This will be at the discretion of the SLT Link, depending on reasons for absence e.g. a child could have a valid medical reason which would explain a period of absence.
- Take Legal action if there are persistent absences, which may be in the form of Penalty Notices issued to each parent/carer for each child.

Absence should be reviewed at regular Year Group Meetings led by Assistant Headteacher responsible for each Key Stage. Where appropriate representatives from Learning Support and Pupil Premium teams will be present and contribute to discussions regarding absence together with input from the relevant Pupil Support Officer. The trigger for discussion of absence is when attendance of an individual pupil falls below 95% with the absence of justifiable cause. The consideration of a below 95% attendance will operate from the October half-term in the academic year. Should attendance fall below the 95% threshold the AHT should send either an AO1 or AO1 Alternative Letter depending on the absence circumstances (see Appendix 9a). Ordinarily this should initiate an AO1 meeting between Parent(s) or Carer(s) with the AHT in the presence of one other from the year group team (PSO, Academic Head of Year (AHOY) or Sixth Form Deputy (SFD)).

All staff should be informed of attendance issues through the circulation of Year Group Meeting Minutes. If attendance fails to improve after this time the AHT should refer his/her concern to the Attendance Leader (Deputy Headteacher, Pastoral). An AO2 meeting should then be held with Parent(s)/Carer(s), one other from the year group team and the Attendance Leader (Deputy Headteacher, Pastoral) - (AO2 Letter – see Appendix 9b). The AHT should record this meeting through the School Attendance Meeting Record and the Home/School Attendance Agreement (Appendix 3 and 5). If attendance issues continue into a new academic year then the process of supporting attendance at school should resume from the point it reached in the previous academic year.

Staff should continue to be informed of attendance issues through the circulation of Year Group Meeting Minutes.

In the event of a parent(s)/carer(s) failing to attend this meeting then the AHT for the relevant Key Stage will send a letter with an alternative meeting date (see Appendix 9b). Should the parent(s)/carer(s) fail to attend this meeting then the Attendance Leader (Deputy Headteacher, Pastoral) will send an AO3 letter (see Appendix 9c).

Throughout this process the Headteacher will have been kept aware of ongoing issues both through the circulation of Year Group Meeting minutes and the fortnightly 'Catch-Up' meetings with the Senior Leadership Team.

If there is no significant/relevant improvement in attendance the Headteacher will meet with the Attendance Leader (Deputy Headteacher, Pastoral) to discuss the attendance issue and, if appropriate, issue a Penalty Notice warning to the parent(s)/carer(s) of the pupil (see Appendix 9h).

If attendance of the pupil does not then improve the Headteacher will request that the Local Authority issues a Penalty Notice (Appendix 9i and 9k).

4. Leave of Absence

Taking leave of absence without exceptional circumstance in term time will affect a pupil's schooling as much as any other absence and we expect parents/carers to help us by not taking children away in school time.

All applications for Leave of Absence **must** be made in advance to the Headteacher who will make the decision as to whether or not it should be authorised. In deciding about whether to authorise this leave, the Headteacher will consider the circumstances of each application individually, including any previous pattern of absence. The Headteacher will **only** authorise Leave of Absence in **exceptional circumstances**.

Any period of leave taken without the agreement of the school (with at least four weeks' notice) and/or is different to that agreed by the school, will be classed as **unauthorised** and may attract sanctions such as a Penalty Notice per parent/carers per child.

Remember that any savings you think you may make by taking a holiday in school time are offset by the cost of the child's education.

There is **no** automatic entitlement in law to time off in school time to go on holiday.

5. Persistent Absence (PA)

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling within an agreed period of time **for whatever reason**. Absence at this level may cause considerable damage to any child's educational prospects and we need full parental support and co-operation to tackle this.

We monitor all absences thoroughly. Any case that is at risk of moving towards persistent absence level is given priority and parents/carers will be informed of this immediately.

Persistent absent pupils are tracked and monitored carefully through our pastoral system and we may also combine this with academic mentoring where absence affects attainment.

6. Deletions from Register

Under Section 8.-(1) (h), (i), (ii), (iii) of the Education (Pupil Registration) (England) Regulations 2006 should a pupil fail to return to school by the time that registration ends on the 20th day of absence the school is permitted to delete the pupil's name from our register.

This is possible if the pupil(s) have not returned by the date specified because the following applies under Section 8 (h), that he/she/they will have been continuously absent from school for a period of not less than 20 school days and

- at no time was the absence during that period authorised by the proprietor in accordance with regulation 6 (2).
- the proprietor does not have reasonable grounds to believe that the pupil(s) is/are unable to attend the school by reason of sickness, or any exceptional cause.

Those responsible for attendance matters in this School are the Headteacher and Deputy Headteacher, Pastoral.

7. Circumstances where a Penalty Notice may be requested from the Local Authority by the School

A Penalty Notice can be issued if one of the following criteria can be met.

- Level of unauthorised absence leads to an unauthorised absence rate of 10% or more within a minimum period of any 8 school weeks (a maximum of 2 penalty notices may be issued in any academic year).
- A single unauthorised absence event of at least 2 consecutive school days (4 consecutive sessions).
- Persistent late arrival at school after the register has closed contribute to a level of unauthorised absence at 10% or above.
- Lack of adherence to the dates agreed for any authorised leave of absence without reasonable justification.
- Pupils identified in a public place whilst excluded from school (during the first five days of the exclusion period) without reasonable justification.

For further information regarding Penalty Notices please refer to the Peterborough City Council Code of Conduct which is available on the Peterborough City Council Website.

8. Parent/Carers Contact Details

There are times when the school need to contact parents/carers about lots of things, including absence, parents and carers are asked to make sure the school always has an up to date telephone number and email address, to stop something important being missed. Contact details will be checked annually.

Summary

The School has a legal duty to publish its absence figures to parents/carers and to promote good school attendance.

Equally, parents/carers have a legal duty to make sure that their children attend.

All school staff are committed to working with parents/carers and pupils as the best way to ensure as high a level of attendance as possible and that every child's welfare and life opportunities are promoted.

Regular attendance is a requirement and essential if pupils are to make the best use of their time at school. If there are any particular circumstances that the school may not be aware of, please contact **School Contact Name** and **Details** as soon as possible.

I would remind you that it is your legal responsibility to ensure that your child attends school regularly on time and every day. Appendix 9h - Penalty Notice Final Warning letter for PA NSA

Issued by school to EACH parent/carer for EACH child

Parent/Carer Name and Address

Dear Parent/Carer,

Unauthorised School Absence - Fixed Penalty Notice Warning

Fixed Penalty Notices were introduced under the Anti-Social Behaviour Act 2003 as an additional sanction to address the problem of poor school attendance.

These Notices add to the Local Authority's existing legal powers to enforce attendance. Cases of persistent and/or unauthorised absence remain subject to action under the wider powers of the 1996 Education Act, which include prosecution and a criminal record if convicted.

This means that where pupils have unauthorised absences from school (i.e. any absence that the school has not given permission for) their parents/carers may be subject to the issuing of a Penalty Notice.

Receipt of this letter means that your child (Pupil's Name's) has been noted as having xxx unauthorised absence from school in the period from xx to xx (see attached attendance certificate).

This letter is a formal warning letter notifying you that should there be any further unauthorised absences within the next 30 School days (15 days if for Y11 summer term), the school will consider requesting that a Penalty Notice is issued by the Local Authority.

It is your legal responsibility to ensure the regular attendance of your child at this school.

If you have any evidence in support of the unauthorised absences please can you submit them to the school for consideration.

Advice or support regarding your child's attendance can be obtained from the school.

Yours sincerely,

Dear Parent/Carer,

Re: **Date of Birth:**

Further to the Warning Letter **DATED** that was hand delivered/posted to you, I am writing to advise you that the above named child has had a further XX unauthorised absences.

Penalty Notices may be issued by the Local Authority at £120 per parent, per child if paid within 28 days, reducing to £60 per parent, per child if paid within 21 days.

Failure to pay the Penalty Notice within the timescales may result in prosecution for the offence of failing to ensure your child's regular attendance at school.

Appendix 9o - Templates for letters to be sent to Parents/Carers regarding Lateness.

Late Letter 1 – Issued when there are more than five Late Marks in a half-term.

Dear Parent's/Carer's name,

Full name of Pupil and DOB

I note from our records that **Pupil's First Name's** continues to regularly arrive late for morning and/or afternoon registration at school. Since the beginning of the current term there have been a number of late registration marks. A copy of the attendance record showing these is attached.

There are two registration sessions each day: Morning Registration is at 8:35 a.m. and Afternoon Registration is at 2:20 p.m. It is a statutory requirement that **Pupil's First Name's** attends school on time for registration every day.

Regular and punctual attendance is a legal requirement and essential if pupils are to make the best use of their time at school. As a result, **Pupil's First Name's** is missing some vital contact with his/her form tutor. Teachers including the Headteacher and Senior Leadership Team, the Form Tutor, the Pupil Development Manager and the Pupil Support Officer use this registration time to inform pupils about activities for the forthcoming day and to educate through form and whole school assemblies.

I will continue to monitor **Pupil's First Name's** punctuality and hope with your support that we will see an improvement for the forthcoming term.

If there are any particular circumstances that the school may not be aware of, please contact the Pupil Support Officer as soon as possible.

Yours sincerely,

Late Letter 2

Dear Parent's/Carer's name,

Full name of Pupil and DOB

Further to my previous letter of (date), I note from our records that **Pupil's First Name's** continues to regularly arrive late for morning and/or afternoon registration. Since the beginning of the academic year there have been xx late registration marks.

There are two registrations sessions each day: Morning Registration is at 8:35 a.m. and Afternoon Registration is at 2:20 p.m. It is a statutory requirement that **Pupil's First Name's** attends school on time for registration every day.

Can I ask you discuss the late marks with Xxx and if there is no improvement in the coming weeks we will need to meet to discuss the way forward.

Letter to parent/carer advising of child present in a public place during first 5 days of exclusion Issued by School to EACH parent/carer individually

Parent/Carer's Full Name and Address

Dear Parent/Carer,

Re: < Child's Name> Date of Birth:

It has come to my attention that your child <Child's Name>, <date of birth>, following an exclusion for <XX> days has been present in a public place during school hours on <date> at <description of place seen>.

Sections 103(3) of the Education and Inspections Act 2006 states that: 'if the excluded pupil is present in a public place at any time during the school hours on a school day falling within subsection (2) the parent commits an offence'.

If you are unable to provide satisfactory reasons or prove that there is reasonable justification for your child being in a public place at any time during school hours on a school day by <1 week date>, then The King's (The Cathedral) School may consider requesting Peterborough City Council issue you with a penalty notice.

If a Penalty Notice is issued, you will be liable for a fine of £60 if paid within 21 days or £120 if paid after 21 days but within 28 days. If you fail to pay the fine within 28 days then Peterborough City Council may issue legal proceedings against you. This may result in prosecution under Section 103 of the Education and Inspections Act 2006, where if convicted you may be fined up to £1,000.

May I remind you that it is your legal responsibility to ensure that your child attends school every day and on time.

If you wish to discuss this matter, please contact the school.

Yours sincerely

Parent/Carer Name and Address

TO BE SENT TO EACH PARENT INDIVIDUALLY for each child as soon as possible after the child(ren)'s return

Dear (parent/carer's name),

Re: Leave of absence without request

Child's Name:

Date of Birth:

I am aware that your child was absent from school from (date) to (date). I have tried to contact you with regard to these absences but have been unsuccessful.

As you will be aware, as of 1st September 2013 Headteachers are no longer able to grant any leave of absence unless there are exceptional circumstances. It is also stated in our School policy that all requests for leave of absence should be made in writing, in advance of the proposed absence.

As you did not submit a request, the absence has **not been authorised**. However, if you feel that the absence was due to an exceptional circumstance or illness, please provide evidence to this effect no later than (Date - allow one week) and I may reconsider my decision.

I must warn you that failure to ensure your child's attendance is an offence under Section 444 of The Education Act 1996.

If the reasons given for your child's absence from school are not satisfactory then the Local Authority may take legal proceedings against you for your failure to comply with the law. This may result in:

- A Penalty Notice requiring the payment of a penalty up to £120 per parent per child. Failure to pay the penalty due will result in prosecution before Magistrates Court.
- Prosecution under Section 444(1) Education Act 1996, where if convicted you may be fined up to £1,000.
- Prosecution under Section 444(1a) Education Act 1996 where if convicted you may be fined up to £2,500 and/or a custodial sentence.

Please refer to the school's attendance policy and the PCC Code of Conduct for further information, - available on the relevant websites and in hard copy upon request.

If you wish to discuss this further please do not hesitate to contact me.

Yours sincerely,

Appendix 9t - Leave of Absence Response - Request Refused

TO BE SENT TO EACH PARENT/CARER INDIVIDUALLY for each child/ren's

Date

Parent/Carer Name and Address

Dear (parent's/carers' full name),

Re: Leave of absence not authorised

Child's Name: Date of Birth:

I note your request to take <Child(ren)'s Name> out of school during term time between the dates xxxxxxxx to xxxxxxxx.

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 states that Headteachers may not grant any leave of absence during term time unless:

- An application has been made in advance to the Headteacher by a parents/carers with whom the pupil(s) normally live(s) with; and
- The proprietor (Headteacher) or person authorised by the Headteacher considers that leave of absence should be granted due to the exceptional circumstances relating to that application.

After carefully considering your application I have decided **not to authorise** your request for leave of absence as I am not satisfied that the exceptional circumstances criteria has been met.

The reason(s) for this is:

<Child's Name> is expected to attend school during these dates and any absence will be considered **unauthorised** absence unless medical evidence is provided.

I must warn you that failure to ensure your child's attendance is an offence under Section 444 of The Education Act 1996.

If the reasons given for your child's absence from school are not satisfactory then the Local Authority may take legal proceedings against you for your failure to comply with the law. This may result in:

- A Penalty Notice requiring the payment of a penalty up to £120 per parent per child. Failure to pay the penalty due will result in prosecution before Magistrates Court.
- Prosecution under Section 444(1) Education Act 1996, where if convicted you may be fined up to £1,000.
- Prosecution under Section 444(1a) Education Act 1996 where if convicted you may be fined up to £2,500 and/or a custodial sentence.

Please refer to the school's attendance policy and the PCC Code of Conduct for further information - available on the relevant websites and in hard copy upon request.

Please note your child(ren) may be at risk of losing their school place if this leave is taken.

I ask that you work with the school to ensure that your child attends school every day.

Yours sincerely,

I note your request to take your child (insert name of child), out of school during term time between the dates.....to

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 states that Headteachers may not grant any leave of absence during term time unless:

- An application has been made in advance to the Headteacher by a parent/carer with whom the pupil normally lives with; and

After carefully considering your application I have decided to **authorise** your request in full as I am satisfied that the exceptional circumstances criteria has been met.

OR:

After carefully considering your application, I have decided to **authorise only part of** the period requested, from xxxx to xxxx. Absences outside of this period may be unauthorised and leave you liable to the possibility of receiving a penalty notice from the local authority.

The reason(s) for this is:

If you do not adhere to the agreed dates it will be recorded as an unauthorised absence unless medical evidence is provided. I must warn you that failure to ensure your child's attendance is an offence under Section 444 of The Education Act 1996.

If the reasons given for your child's absence from school are not satisfactory then the Local Authority may take legal proceedings against you for your failure to comply with the law. This may result in:

Thank you for submitting evidence in respect of the above absence. The Headteacher has reviewed the evidence and has reconsidered their decision on the basis of the information submitted. The School accepts that the absence was due to an exceptional circumstance and therefore will not be forwarding a request to the Local Authority for the issue of a penalty notice.

Or

Thank you for submitting evidence in respect of the above absence. The Headteacher has reviewed the evidence and unfortunately it does not provide a defence to the absence and therefore the original decision to not authorise remains. As the Headteacher does not consider, even with the evidence, that the criterion of 'exceptional circumstances has been met, we will be forwarding a request to the Local Authority for the issue of a penalty notice.

Process for Requesting a Penalty Notice for a Single Absence Event

For absences involving COVID 19 further guidance can be found at the end of this document (Appendix Z).

*Please note – Level of attendance is not a reason for refusing a leave of absence request. Neither is the length of the absence. If the length is an issue than it may be a defence in court as to why the school did not part authorise?
