

## **Setting up a parent account for Show My Homework**

To set up your parent account you will need a parent code and an email address. The easiest way is to download the free Satchel:one app onto a mobile device. Alternatively, you can access it through the Satchel:one webpage <https://www.satchelone.com/login>.

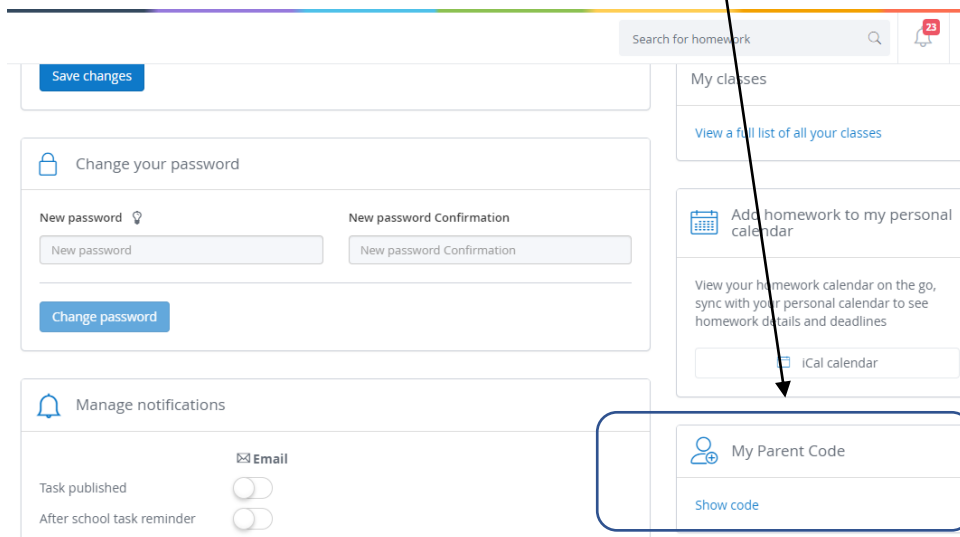

## **Getting a parent code through your child's account**

To generate your code, get your son/daughter to log in to their account. Click on 'Account settings'.

A code can be generated by selecting the 'show code' button in the My Parent Code selection towards the bottom right hand side of the page.

The codes are valid for 3 months and will allow up to 5 parent/career accounts.

## Setting up your parent account

### Satchel:one App

If using the Satchel:one app you will need to enter the school name **The King's (The Cathedral) School** and select it from the list of schools.

Hint: if you can't find your school by name, try searching for its postcode

Select '**I do not have an account yet**', '**log in with PIN or Parent Code**' and enter your pin. You will then be asked for name, email address and password.

I already have an account

Log in with email or username

I do not have an account yet

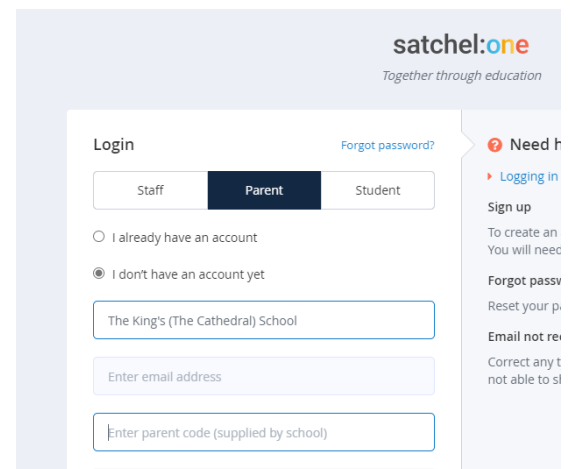

Log in with PIN or Parent Code

### Desktop

Go to the Show My Homework webpage. Select 'Parent' and 'I don't have an account yet'. You will need to enter the school name **The King's (The Cathedral) School**.

Fill in your email address and the parent code.

You will then be asked to set up a password and fill in your details.

## Adding a child

To add another child, go to 'Account settings' and select 'Link another student to your account'. This will enable you to add any of your other children at The King's School. You can also manage notifications on this screen to limit the amount of emails you receive.

**satchel:one** Parent/Carer Name Account settings

**2 Select student**

**Euan White**

**Support**

**Logout**

**New password**
