22nd November 2023

Many Thanks to Ukuoma Walter-Osedeme for this month's comic!

What have our societies been up to?

LawSoc incessantly requested a School Magazine feature last month. Upon being told this would be possible if they sent some information about the society's activity in November, they failed to send anything. As such, no society feature this month, Sorry!

If any societies would like a feature in the Sixth Form Insider Christmas edition or the January edition, please email 17CulyS@kings.peterborough.sch.uk

Poem of the Month

Wilderness by Patti Smith

Do animals make a human cry
when their loved one staggers
fowled dragged down
the blue veined river
Does the female wail
miming the wolf of suffering
do lilies trumpet the pup
plucked for skin and skein
Do animals cry like humans
as I having lost you
yowled flagged
curled in a ball
This is how
we beat the icy field
shoeless and empty handed
hardly human at all
Negotiating a wilderness
we have yet to know
this is where time stops
and we have none to go
