

18 April 2024

Dear Parents & Carers,

Year 6 pupils were straight in at the deep end on Monday. The NFER team visited and our pupils completed 3 SAT Maths papers that will help NFER construct SAT tests in the future. We were all delighted with how well they rose to the challenge.

In addition to the events below, please note that Year 4 will complete the multiplication check online at a point between 3 June and 14 June; we will let you know the date once it has been agreed. The results will be shared with parents by the end of the academic year.
