

28 June 2024

Dear Parents & Carers,

**Bake Sale - Friday 28 June**

Our School Council has met and would like to organise a home baking sale by JD1 pupils. During our last sale, we received more cake than we could really handle, so please can you limit the amount that you send in to between 6 and 8 items, e.g. six cookies, six cupcakes or six slices of a cake. This way there will be enough for each child to buy 3(ish) cakes. Please plan ahead to help your child weigh out ingredients and bake their creations, being careful to avoid nut products in your baking. The children get enormous benefit from cooking with you at home; it helps with Maths, with English and with understanding the process from start to finish. Because we realise that this is much more effort than simply buying a cake, we will set the homework for JD1 during that week devoted to baking for Friday. Thank you for your help.

Yours faithfully,

Mr D Ludford  
Head of Junior Department
