Dear Parents & Carers,

As Mrs Pasqualino has now started a different role as the School Registrar, we have a new Administrator working in the Junior Department, Mrs Kiri Baker. You can contact her at [baker.k@kings.peterborough.sch.uk](mailto:baker.k@kings.peterborough.sch.uk) with any queries you may have.

**Year 3 & 4 Mixed Football - 14 November**

Regrettably, as the competition was oversubscribed, we are not able to take a team to this event.

Yours faithfully,

Mr D Ludford  
Head of Junior Department

## Terrific Topic

*JD has had a very good start after one week off school and have learnt many facts in topic.*

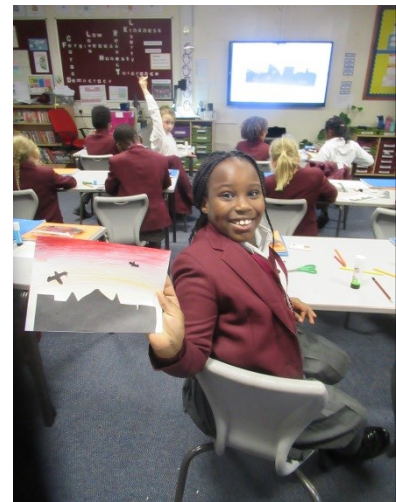

During the week JD2 has learnt about Guy Fawkes and the Gunpowder Plot against King James I of England. We have also seen and been lucky to hold a copy of King James's bible dating back to 1639.

Another artifact we have been able to touch is one of the cannonballs that was connected by a

chain. It is very deadly and could go through you, we had to hold it with care. We have also learnt about how people sent letters sealed by wax.

In JD1, the pupils

are learning about WW2 and the blitz. They produced some wonderful artwork and you can see it displayed in the art room.
