Unsupervised walking

Road crossing

Staff member 'A' is on duty outside Madeley House, and will supervise students across Princes Street.

Staff member stationed at 'B' has a clear line of sight when the students turn the corner of Park Road past Central Park. They will be stationed just past Queen's Drive West, where the students will use the traffic light controlled crossing. 'B' can maintain supervision until students turn the corner at the mini roundabouts on to Garton End Road.

Staff member 'C' has a clear line of sight when the students enter Garton End Road. They will be stationed at a safe crossing place, just past the last of the side streets. The member of staff will supervise crossing the road, as there is no official crossing point. The students walk the last 100m round the corner and in to the King's School playing field.

All side streets are remotely supervised by staff.

This map shows areas of supervised/unsupervised walking, along with crossing points.
