

30 January 2019

Dear Parents & Carers,

**POST 18 PRESENTATION EVENING - Tuesday 5 March 2019**

Our **Post 18** Presentation Evening is to be held in the Main Hall on **the above date**, starting at 6.00pm. The presentation will be delivered by Mrs M Wilson (UCAS Co-ordinator & Careers Advisor) and myself.

This evening is targeted at **parents and carers** wishing to familiarise, or refamiliarise, themselves with the Higher Education applications procedure (UCAS). It is **not** specifically aimed at students, as they will cover everything in detail in LfL lessons and during Applications Week in July. Nevertheless, students are welcome to attend if they would like to do so.

Parents and carers who have had children go through the UCAS system in the last 2 years will be aware of recent changes; however, there are inevitably continued changes to the UCAS process and student finance and we would welcome your attendance. For all other parents and carers, we very strongly urge **at least one parent or carer to attend**.

As the options available Post 18 and the details of how the process works will be crucial to the students and to you as parents and carers in the coming months, we feel that it is valuable to dedicate an evening to putting you fully in the picture. The presentation is detailed, and covers the system in full; finishing time is likely to be around 7.00pm.

Information will include:

- Post 18 routes followed by The King's School students in 2018
- The timetable from here to A-Level results
- The Higher Education picture nationwide
- The UCAS process
- The UCAS Tariff
- Student Finance - brief overview

We look forward to meeting you again.

Yours faithfully,

Lucy Willis  
Assistant Headteacher (Sixth Form)
