

30 April 2019

Dear Parents & Carers,

Athletics Competition

Good luck to the athletes from Year 6 who have taken up Mr Pinguenet's offer to take part in the athletics event on Saturday 11 May. Although the deadline to sign up is today, he has asked me to remind Year 6 parents of the opportunity just in case we have any late takers.

Calendar

We are currently working to finalise this term's calendar and trip information which will come home to you next week, to include a Year 3 and 4 tennis competition, and the Safety Challenge Day for Year 6 pupils.

Choristers

Choristers enjoyed their well-earned week off from duties last week, following Holy week commitments. They face a busy term ahead, with multiple recording sessions.

Miss Castledine has kindly arranged for Year 6 pupils to have no morning rehearsals during the 4 days of their SATs week, so they should arrive at 8.25am with all other pupils on May 13/14/15 and 16.

Elections - Thursday 2 May (and probably 23 May)

Please note that the front section of Madeley House is being used as a polling station for the Local elections this Thursday (and is likely to be used again on 23 May for European elections)

We ask that you drop your children off in the usual manner, with chorister parents ensuring their children are delivered safely through the gate once chorister staff have arrived, but be aware it is likely to be busy at drop off time.

Yours faithfully,

Mr D Ludford
Head of Junior Department

Fantastic field!

Over the first four days of term, the weather has been on our side. JD2 (Year 5) have even set up the goals for a mega football match. Sadly the weather has turned its back on us, so they are no longer on the field. Yet during the days of glory, there have been many large games taking place: rapid games of

bulldog; strategic howler games and a tense game of football.

Merit winners:
Year 3: Noah
Year 4: Daniel
Year 5: Robbie
Year 6: Toby

“Robin Hood and Little John walking through the forest...”

Over the last week, JD1 have been watching the classic Disney film, Robin

Hood. They have made their top trumps based on the film characters, but

most of all, they’ve been enjoying the film. Now they have the song playing in their heads -

non-stop, over and over again!
