

8 May 2019

Dear Parents & Carers,

Library Donation

We would like to thank Mrs Burgess for raising another £100 through the sale of second hand books in her clinic. This brings the total raised during Mrs Burgess's association with the School to £2,000. The Year 6 Librarians have enjoyed being able to purchase more books for the Junior Department Library.

\*\*\*\*\*

We are in the process of updating the summer schedule and hope to forward this to you with the letter next week.

Yours faithfully,

Mr D Ludford  
Head of the Junior Department

## Amazing visit from Katie Cardew!

On Friday 3rd May JD all had a visit from Katie Cardew. She showed us some of her paintings, and explained how she used a computer as part of her technique. We asked her some questions about why she started drawing and painting. Toby asked her what her favourite animal was and surprisingly she said Toby's favourite animal (Narwhal).

Some of JD2 showed Katie Cardew some of the art work they had done in the past, and picked up tips on how to improve.

- **JD Merit winners**
- Year 3 Alexandra
- Year 4 Jack
- Year 5 Jasmin
- Year 6 Oliver

## Football goals being made!

Year 5 have been setting up the football goals ready for the games going on.

It contained lots of pieces and tiny clips for the nets. The good thing was we had instructions but the other team did it

without needing them. As an extra bonus the sun was shining down on all the hardworking Year 5s .

## £100 spent on books

The JD Librarians (some Year 6) bought £100 worth of books for the Library for JD2 to read at home or in School. Thanks! We can't wait to read them!
